

LAB BILLING POLICIES

Effective August 24th. 2017

LAB BILLING: Patients are responsible for their insurance co-pay when the lab invoice is received and paid directly to the lab. The average co-pay is between \$25-\$50. If the invoice is greater than \$50, or you have any questions about your bill, please scan and forward to Tony Carnaggio at TCgrad2000@gmail.com. Tony is the lab representative for LabTech and True Health and he will be happy to help you. Please also refer to the attached lab Information sheet provided below and on the back of this form. In some cases, your insurance carrier or representative may send you a check directly for lab fees. Please endorse the back of the check to the corresponding lab and send with your lab invoice. Tony can help you with the process if needed. For questions about lab bills other than LabTech or True Health, please contact the our office directly.

EverVitalMD is not affiliated in any way with Lab Tech or True Health, the clinic is a draw site for the lab.

CANCELATIONS: *REMINDER* Effective October 1, 2017 any patient who fails to show for an appointment or cancels/ reschedules within 24 hours prior to their appointment will be charged a \$50 Cancellation fee that will be billed directly to the patient.

On behalf of Dr. John Woodward, Karen Preston and the EverVitalMD team, we thank you for trusting us with your care!
