

Joint Aspiration and Injection Consent Form

Patient: _____ DOB: ____ - ____ - ____

Procedure Date: ____ - ____ - ____

1. I hereby authorize Dr. John Woodward, MD to perform arthrocentesis or aspiration and injection of a joint.

a) Name of Joint: _____ R or L or BOTH

b) Procedure Done: _____

2. I understand that this is a procedure performed by placing a needle into the joint, the goal is to withdraw fluid from the joint to provide pain relief, and possibly inject medication into the joint for additional relief. I understand that fluid may re-accumulate after the removal. I understand that the medication that may be injected is a corticosteroid, and may not provide long lasting relief. I understand that the practice of medicine is not an exact science, and that no guarantee can be made about the outcome of my planned procedure.

Initial: _____

3. My doctor has explained to me that this procedure generally is safe, but that certain risks accompany any surgical procedure. Risks associated with joint aspiration and injection include the following:

- * Pain associated with the procedure if the needle touches joint surfaces.
- * Injection into an artery or vein if the needle tip was misplaced.
- * Damage to a nerve or joint surface from the needle or medication.
- * Rare introduction of infection into the joint.
- * Increased joint pain after injection of medication, or post-injection flare reaction.
- * Rare, unusual reactions, including possible death, following any surgical procedure.

Initial: _____

4. I understand that there are alternate diagnostic and treatment options to this procedure. I understand that I can refuse this procedure.

Initial: _____

5. I understand that unforeseen conditions may alter the planned procedure. I give permission to my doctor to alter the procedure, if necessary, or to administer additional anesthetics or other medication if he should need them for the completion of the procedure.

Initial: _____

6. I have read this form given to me by my physician. I have had my questions answered to my satisfaction.
